Mr. Allen Wood
Human Resources Manager
Attractive Marketing
Suite 12, 1432 West Madison Avenue
Appleton, WV 62548

Dear Mr. Wood:

It is with your organization that I desire to offer nearly 15 years of marketing management expertise and resourceful insight in strategic marketing methodologies. Having a strong background utilizing a variety of direct response advertising materials, I am certain that my skills and experience, when linked with the vision of your company, will serve to create dramatic, profitable results.

As Marketing Director for ABC Associations, I am consistently energized by opportunities in overcoming promotional boundaries as I continue to ensure that our lines receive the best representation in achieving new customer acquisition and creating brand awareness through direct marketing efforts. With full accountability for over a multilution-dollar budget, I currently offer significant contributions in revenue growth through visible skills in the tactical planning of pricing, packaging, and distribution, as well as, offer strategies and mail planning.

Having natural interpersonal and communication abilities, I have acquired a solid reputation for effective networking and strategic alliance building among crucial industry resources. In providing a solution driven leadership style during the acquisition of ABC Group, I was able to build and mobilize highly effective marketing programs that encouraged profit achievements for this groups largest financial continuity program. Under my guidance we:

- Grew revenue per customer, 10% and retained 5% more customers by motivating managers to reflect the needs of the target market.
- Expanded new enrollments 35% by investigating, developing, and testing new creative initiatives and list segmentation, expansion, and refinements.
- Increased ABC Association's response rate and back-end performance 15% while containing expenditures.

As there is considerably more to relate, I look forward to our meeting and discussion regarding how I might assist the marketing needs and further advance the visibility of your company.

Sincerely,

Diana Keating
